

**Refuse - say no to plastic where you can. One small change can have a massive impact on our planet if we work together!**

If every student at Boldmere Infant and Junior School used one less plastic bottle a week, then just at Boldmere School, we would be saving 28,080 plastic bottles each year.

**Written by Finlay, Year 6 Eco Warrior**

- **Did you know** that right now, there are more microplastics in our waters than there are **stars in the Milky Way?**
