

Links to Year 1 activities on Twinkl

The website Twinkl is offering a month free for parents so that you can access home learning resources. On the website, they have numerous resources for different subjects and year groups. It can be quite overwhelming, so below we have linked some Year 1 based activities for maths, reading and writing. The website also offers a daily timetable with other suggested activities/ printouts. If you do not have access to a printer at home then they can provide you with ideas to create your own activities/ worksheets.

Maths

Addition and subtraction:

Complete the workbook and encourage children to always look carefully and check their answers. If they are finding it difficult, encourage them to use practical resources or draw pictorial representations like dots to support.

Number and place value:

Pick a number within 20 and complete the number of the day activities (on the first sheet rather than the second) and use a number line to support if necessary. Once completed they

could represent their number of the day in as many ways as possible or find as many number bonds to make that number as possible.
