Thursday 7<sup>th</sup> January, 2021

Dear parents / carers,

From Monday, we would request that you continue to complete work set on Google Classroom and we wanted to outline what we consider to be reasonable expectations for your children, whilst learning at home.

We would like your child to meet each morning with their year group year lead via the meet link on their Google Classroom classroom page.

The proposed times to meet will be:

- 3U and 4M – 8.40 – 8.50 am
- 3H and 4B – 8.50 – 9.00 am
- 3K and 4W – 9.00 – 9.10am
- 5E and 6J – 9.10 – 9.20am
- 5P and 6T – 9.20 – 9.30am
- 5PJ and 6F – 9.30 – 9.40am

We appreciate that this meet time may pause anticipated learning but we hope you will agree that having this meeting with a teacher will be beneficial for your child's learning for the rest of the day.

During this meeting, your child(ren) will be greeted and then have their daily tasks and expectations explained to them as well as work that will need to be submitted for that day as and where possible. Each day, we would like two pieces of work to be submitted, which they will receive feedback via Google Classroom from their year group year lead, who is managing this presently.

Once logged on, please could you mute your microphone to avoid any excess background noise. An adult will need to be present at the start of the greeting.

We would ask that the following protocols are observed and that these are discussed with your child beforehand:

- Behaviour expectations in all video sessions is the same as would be expected in school

- Your child is in front of their computer or device five minutes before the meeting is scheduled to begin with a pen and paper
- Children should open the meeting link, with the support of an adult, using their name so that teachers know who they are
- Although children are likely to be excited, we ask that they listen carefully to their teacher
- When children join, they should make sure that they are in a suitable location in their house. School uniform is not requested; however, dress should be appropriate
- If a webcam is being used, anyone who may appear in the background should be wearing suitable clothing and refrain from any inappropriate language or behaviour so we can ensure that everyone is safe
- We want the children to enjoy the daily greeting and have fun.

Please note, due to time restraints, this will not be a time for questions. If your child has any questions, please message us separately on Google Classrooms or your individual year group contact email.

We acknowledge that from time to time, due to internet peaks and interferences, some connections may be intermittent; please don't worry about this if it happens. In this eventuality, your child should exit the greeting and sign back in. As with everything that we are introducing in relation to managing learning at home, we will monitor and review this aspect of our work to ensure we are achieving the best possible outcomes.

Many thanks for your support during this challenging time and we hope that you find this morning greeting by our teaching staff useful.

Mr Uppal, Miss Martin, Mrs Eccles and Miss Jackson
