

## Boldmere Junior School

### Parent/Guardians' Questionnaire results

Feb 2017

Thank you to the 94 parents/guardians who responded to the questionnaire given out a few weeks ago. We do this questionnaire roughly at the same time every year and it provides us with valuable feedback about the school and indicates how we can improve further. The results are below but I would like to highlight that we are delighted that almost 100% of parents/guardians who have responded, 'strongly agree' or 'agree' that their child is happy at school; feels safe at school; makes good progress, is well looked after and would recommend this school to another parent/guardian. We notice similar to last year that there are 24% of parents/guardians who 'don't know' whether or not we deal effectively with bullying and we interpret this as parents having, thankfully, no experience of this during their child's time at school. We continue to do our utmost at Boldmere to provide the best possible education for all children and we very much appreciate parents/guardians taking the time to give us this feedback. We hope that you are as pleased with these results as we are. It is our intention to further analyse the feedback received in each relevant year group and share these with you in the near future.
