This half term's value is **Respect**.

Sept. 2019

## Definition:

When we act in a way that shows we care about others.

## Reflection points:

- Respect is feeling good about myself.
- Respect is knowing I am unique and valuable.
- Respect is knowing I am lovable and capable.
- Respect is listening to others.
- Respect is knowing others are valuable too.
- Respect is treating others nicely.

**TREAT  
OTHERS**  
the way  
*you*  
want to be  
**TREATED.**

*Respect for ourselves guides our morals, respect for others guides our manners.*

**Laurence Sterne**

*I speak to everyone in the same way, whether he is the garbage man or the president of the university.*

**Albert Einstein**

*To be one, to be united is a great thing. But to respect the right to be different is maybe even greater.*

**Bono**

## School:

We started this half term with a whole school assembly to launch our value of **Respect**. We thought about what respect looks like in the classroom, on the playground, at home and in the community.

This week we will also reintroduce our 'Values Ambassadors', where one child from each class will be nominated each week for showing our values within school. These children will be celebrated during assembly and will also receive a Values Badge to wear for that week.

## Ways to help at home:

- Discuss what it means to be respectful and to be respected.
- Discuss every day events.
- Use the language of respect at home.
