

Year 1 – Routines and Expectations

First thing in the morning - you will see us:

- entering the playground on time and talking to our friends until the doors are open;
- lining up when our teachers are ready;
- entering our classroom quietly;
- hanging up our coats and bags;
- putting our reading books in the class box;
- putting our lunchbox, snack and water bottle on the trolley;
- sitting in our carpet spaces.

At playtime - you will see us:

- tidying up after our lesson and putting things away;
- eating a healthy snack and a drink at our desks;
- putting any rubbish in the bin;
- leaving the classroom quietly when an adult directs us;
- using the toilet if needed;
- playing respectfully with our friends.

After playtime and lunchtime – you will see us:

- quickly and quietly lining up in a straight line, facing the front;
- waiting for an adult to direct us into school;
- entering our classroom quietly and putting our coats on our pegs;
- washing our hands;
- having a quick drink if we need one;
- sitting in our carpet spaces.

At home time – you will see us:

- tidying up at the end of the lesson and putting things away;
- waiting until we are asked and then collecting our things;
- standing behind our chairs until we are ready to line up;
- lining up quietly and walking to our exit doors;
- waiting quietly until we are called to meet our adult;
- leaving school promptly and calmly.

When we line up – you will see us:

- in register order;
- standing in a straight line;
- facing the front;
- being quiet and not talking;
- walking on the left.
