

**Preesall Fleetwood's Charity**  
**School**  
**Autumn Term**

**Thursday 12<sup>th</sup> November 2020**

**Romans 1:12** That is, that we may be mutually encouraged by each other's faith, both yours and mine.

Our Children In Need day is in full swing. The children are enjoying a variety of activities to raise awareness of the charity and the wonderful work it carries out.

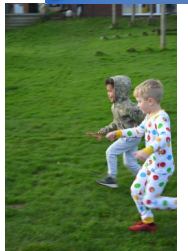

Thank you for your generous donations – we have raised an incredible **£183.31** (plus \$0.25!).

**Reading Books:**

The teachers have asked if you can make sure you send the children's reading books and reading records into school each Monday. Also please evidence in the reading record that you have listened to your child read at least 3 times in the week. We really value the time you are able to spend sharing books with your child; it is vital for helping them to progress with their reading skills and to develop fluency.

**School lunches**

We have sent the menu options home for you to talk about with your child. Can these be returned to school by Monday morning at the latest – Friday would be great!

## Preesall and Knott-End Covid help group

Please remember that the local volunteer group can support families who are struggling financially. They are able to provide food parcels which can be delivered to your home. There is also a local food bank at the church in Stalmine which anyone who needs it can access.

Contact for local volunteer group: 01253 810628

## Remembrance Day

All our pupils have taken part in activities this week to help them understand why we wear poppies and take part in a national two-minute silence. I am sure you will have seen the beautiful flower bed at the front of school that our pre-school pupils made. I have also received many messages about the poppy stones we put around the cenotaph from the local community.

## Parent Pay

This is a gentle reminder that all pupils who use Breakfast Club, After School Club, or have School Dinners should have credit in their Parent Pay accounts.

All parents should have a Parent Pay account activated now, but if there are any problems please contact Mrs Adams in the School Office. Mrs Adams has been working through some outstanding balances, so if you have received an email about it can you please credit your account.

## Dates for your diary

**Friday 13th November** – each class will be learning a fun dance routine with Miss Gemma and Miss Hadley linked to Children in Need (pupils may wear suitable clothes and trainers instead of their uniform)

**Friday 13th November** - Year 5 and 6 – Orienteering day in school

**Wednesday 2nd/Thursday 3rd December** – Year 6 Bikeability
