

Preesall Fleetwood's Charity School
Spring Term

Friday 29th January 2021

Romans 5:3-5 More than that, we rejoice in our sufferings, knowing that suffering produces endurance, and endurance produces character, and character produces hope, and hope does not put us to shame, because God's love has been poured into our hearts through the Holy Spirit who has been given to us.

Home Learning:

If you haven't already done so, please complete the questionnaire we sent out (link below) providing feedback on home learning. As we now know that pupils will not be back in school straight after half-term, it is important that we our home learning provision is as good as it can be and that it meets the needs of both pupils and parents.

The Prime Minister has announced that schools may start to re-open from 8th March depending on the situation. We know as much as you at this moment in time so we will wait for further information.

Spreading Love and Happiness Project

Please see the attached poster for information on our next whole school community project. It would be lovely if everyone – parents and children could get involved.

Community Orchard

We are about to start developing an area of our sports field on Park Lane into a community orchard which we hope can be enjoyed by members of the local community. Mrs Crompton has managed to get us some fruit trees from the Tree Council and we have also spoken to Clegg's Nurseries who are able to sell us apple trees for £15 each. We would like to give our families the opportunity to donate a tree to our orchard – this would involve you paying £15 for us to purchase a tree or making a part payment towards a tree. We can then get some plaques made to

show who the trees were donated by. If you would like to be part of this, please email me for further information.

Mrs Crompton has said that if a family who are donating a tree would like to come and plant it in the week beginning 8th February, you would be very welcome (outdoors and socially distanced!) Just let us know!

Half-Term

Monday 15th – Friday 19th February

The government have announced that schools will not be open for critical key workers or vulnerable pupils during half-term. The children need a break as do you parents so home learning will recommence on Monday 22nd February.

If anyone in your family tests positive at any time, including during half-term week, you will need to inform school. Please email me directly.

Stories from The Hill

Mrs Pollard has arranged for us to read books to the children via zoom. – what a fantastic idea!

Key Stage 1 will be reading Fantastic Mr Fox – Tuesdays & Thursdays 1pm

Key Stage 2 will be reading The Girl Who Stole An Elephant – Mondays & Wednesdays 1pm

Different members of staff will read via zoom each time, and sessions will last roughly 15 minutes. We will try to record the stories for children to access at a more convenient time if 1pm is not suitable. There is no need for the children to have a copy of the book, just some time-out listening is ok. If pupils have a copy of the book and would like to read along with us, that is ok too!

The Zoom links will be sent out prior to the sessions via Class Dojo.

Pupil awards week ending Friday 29th January 2021

	Ash	Oak	Willow	Maple	Elm	Group 1	Group 2	Group 3
Star of the week	Bowen – for being a star and attending most zoom sessions	Jacob – Wonderful Home Learning	Millie – for excellent effort with her home learning	Amy – for her efforts in all of her home learning	Ellie – for working hard and staying focused at home	George – for stepping up to the mark and being a calm and sensible asset to Group 1	Ruby – for an excellent letter in RE	Dylan – for his resilience in all of his learning

Other Awards		Dance Award Leo – for great dancing and resilience	Dance Award Lilly – for fabulous focus and smile	Reader of the week Tamara	Dance Award Freddie – for energetic enthusiasm and great dancing			

Spreading Love & Happiness

With love from The School on the Hill x

John 1:4-19. We love because he first loved us

We would like to spread some happiness, love and joy around our villages, at this difficult time. The plan is for all pupils to make love hearts (parents are very welcome to join in), and for us to hang these love hearts on the doors of people in our community who we know who may need a little cheering up. If all hearts are placed on Friday 12th Feb, there could be little love hearts all over the area!

The children in school will be making hearts too, you can make as many as you like, and be as creative as you like.

The school hearts will be delivered to people we have on our list from our last project, but if you would like to add anyone, please contact Mrs Adams in the office.

Mrs Potter will make labels which can be printed off and attached to the hearts, so people know about our project. These will be available on class dojo pages.

Some ideas are in the pictures below if you need some ideas to get you started!

Good luck, let's start spreading the love...
