

Preesall Fleetwood's Charity School
Spring Term

Friday 5th February 2021

John 15:7 If you abide in me, and my words abide in you, ask whatever you wish, and it will be done for you.

Half-Term

Today we finish for our half-term break. Well done to all of you for surviving six weeks of home-learning and to the children attending school, well done for adapting to being with different pupils and different teachers. We are proud of the way the children have engaged in teaching sessions and completed tasks. You thoroughly deserve a week off!

School will re-open for pupils of critical key workers and vulnerable children on Monday 22nd February. After that date, hopefully we will have more information on when schools will be re-opening to more pupils.

If anyone in your family tests positive for Covid-19 during half-term, please contact me directly by email.

This Week:

This has been a busy week! Mrs Crompton has planted over thirty fruit trees, with families, on the edge of the sports field which will form our community orchard. This is something that we hope families and members of the community will enjoy for many years to come. If you took part in this project, I would love it if you could email me with some feedback.

We have made and delivered hearts to people in the community, especially those who live alone and are unable to see friends and family at the moment.

Our staff have personally delivered our school bears to every child in school – we hope you like them and they keep your children smiling until they are able to return to school. This is a reminder that we are missing them very much and are hopeful

for happier times being just around the corner. Make sure you look at the Facebook page and show your children our special bear video!

We have taken part in Safer Internet Day.

We finished with an amazing Celebration Assembly with lots of well-deserved awards and well done to all of you who managed to get your Grandparents on our Zoom call! It was lovely to see so many new faces – we hope you all enjoyed being able to see each other through the screen. Let's hope we can have an event in school in the near future when we can all get together.

Can I also say a huge thank you to all our teaching staff who have worked so hard this half-term juggling home learning; teaching bubbles in school; supporting pupils and parents as well as teaching live sessions through Zoom.

Have a lovely half-term break, stay safe and we will see you all soon.

Mrs Gladwin

Awards for this half term
