Another amazing weather week! All classes are making the most of being able to take their learning outdoors

Highlight of the week:

Earth Day – our pupils spent the day finding out about the origins of Earth Day and practical ways in which they can help to protect our planet and care for God's world. There were also lots of creative activities and outdoor learning.

Look out for pictures on our Facebook page.

School Uniform

The shops are now open! Please can you make sure your pupil has the correct school uniform including school shoes. We still have some pupils coming to school in trainers – this should only be if they have PE or a forest session.

Absence

Just a polite reminder to notify the office each morning if your child is going to be absent from school. A message can be left on the answerphone.

Also, we must have all children signed in by a parent / carer if they are late, and signed out if they are being collected early.

Parents Evening

The class teachers will contact you about booking a time slot for a consultation on your child's progress. These will be held on Zoom, between Tuesday 4th and Friday 7th May. It will be a five minute slot so if you feel you need a more in depth discussion with the class teacher, please speak to them about making another appointment at a different time.

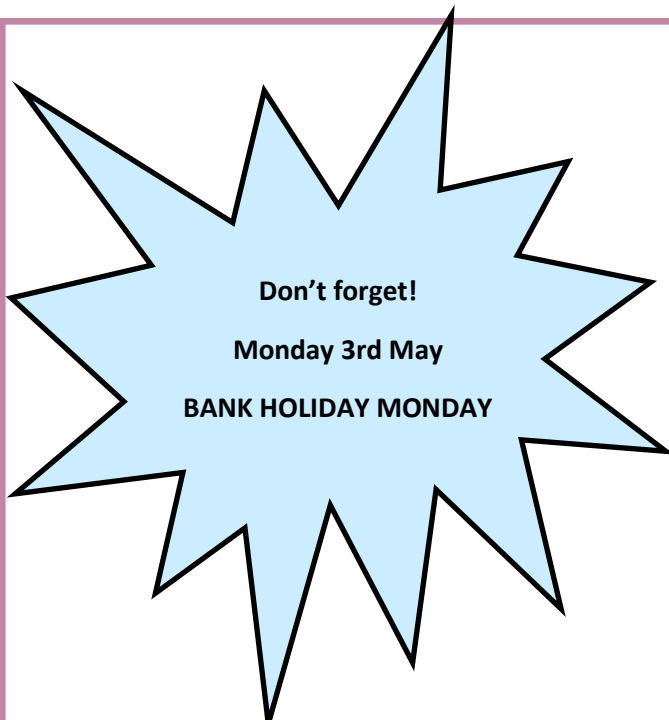

Mrs Potter will also be available to talk to any parents of pupils with special educational needs and I can also be available if anyone has anything they wish to discuss.

Please complete the form for lunch arrangements next week...

Drop-Off

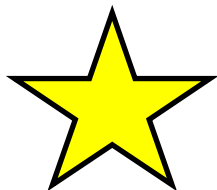

There are still pupils arriving in the playground before 8:55 am. Please aim for 8:55 am but if you arrive early, can you wait with your child until a member of staff comes out? It is later than it used to be as our arrival time is 9:00 am – 9:30 am whilst we are implementing a staggered start. Pupils are not supervised before 8:55 am. Any child that arrives before this time will join Breakfast Club.

Stay and Play

Next week we are re-starting our Stay and Play sessions for parents with babies or toddlers. This will be on Thursday 29th April in the school hall from 9:30-11:00 am. Miss Moore has been busy purchasing new resources and planning some exciting activities. At the moment we are limited to 15 adults so places need to be booked each week. The first session is now full! Mrs Adams has emailed the parents who are booked on with further details. If you have missed out, please email school to book on for the following week.
