

HOMEWORK MENU

READING:

Read to an adult or independently for 10 minutes each day; this could be a story book, newspaper, recipe or even a comic!

TIMETABLES:

Times tables are set on Times Tables Rockstars weekly; practise for 10 minutes, at least once a week.

Phonics:

Practise the sounds which you have been learning in phonics each week. This will help to support your reading and writing too. Practise the spelling list attached to homework.

Geography:

See how many different ways you can say hello, good morning, thank you, and goodbye in languages from across the continents: Africa, Antarctica, Asia, Australia, Europe, North America, and South America!

English:

Imagine you are the boy from The Way Back Home. Your task is to write a step-by-step instruction list explaining how to help the Martian get back home. Use clear commands and sequencing words like first, next, then, finally. You could include:

How to prepare for the journey

How to find the Martian

How to solve problems along the way

How to help the Martian return home safely

Tip: Draw pictures to go with your instructions if you like!

5 HUMAN SENSES

Science:

Senses Scavenger Hunt: Explore your home or garden and find 3 things you can see, hear, smell, taste, and touch. Draw or write what you discover and bring your findings to share in class!

ART:

Collage Your Favourite Book

Choose your favourite book.

- Think about the characters, setting, or something special that happens in the story.
- Use any paper, magazine pictures, fabric scraps, or other materials you have at home.
- Cut, tear, and stick your materials to create a collage that shows something from your book.
- Write the book title and your name on your collage.
