In His Light We Flourish

Enrichment and Spirituality Curriculum Overview

Year 6

You are the Light of the world. A school that stands upon a hill cannot be hidden. (Matthew 5:14 adapted)

Love Laugh Learn in God's World

Term Two			
Spirituality	**British Values**	**Christian Value: Respect**	**Christian Value: Thankfulness**
Through learning about **Rivers** in Geography, Year 6 pupils will explore spirituality by reflecting on the beauty, power and importance of the natural world. They will consider how rivers shape landscapes, support life and connect communities, encouraging a sense of awe, wonder and appreciation for the environment and their place within it. Through learning about **Adaptation and Evolution** in Science, Year 6 pupils will explore spirituality by reflecting on the diversity and complexity of living things. They will develop a sense of awe and wonder as they learn how plants and animals have adapted over time to survive in different environments, encouraging them to appreciate the interconnectedness of life and their place within the natural world.	Through their study of **Rivers**, Year 6 pupils will explore British Values by considering how communities work together to manage and protect river environments. They will discuss different viewpoints, respect the opinions of others, and understand the role of rules and responsibilities in caring for natural resources. Through learning about **Valuing Differences** in PSHE, Year 6 pupils will explore British Values by celebrating diversity, respecting the beliefs and opinions of others, and recognising that everyone has the right to be treated fairly. They will develop mutual respect and tolerance, helping them to build positive relationships within a diverse society.	Through learning about **Adaptation and Evolution** in Science, Year 6 pupils will explore the Christian value of kindness by developing respect and appreciation for all living things. They will consider how animals and plants adapt to survive in different environments and reflect on the importance of caring for and protecting the natural world. Through learning **Dance** in PE, Year 6 pupils will explore the Christian value of kindness by encouraging and supporting one another as they create, practise and perform routines. They will learn to give positive feedback, show respect for others' ideas and abilities, and work cooperatively to help everyone succeed.	Through learning about **Advent** in RE, Year 6 pupils will explore the Christian value of peace by reflecting on the message of hope and preparation for the coming of Jesus. They will consider how Advent encourages people to bring peace to their relationships and communities through kindness, patience and understanding. Through learning about **Rivers** in Geography, Year 6 pupils will explore the Christian value of peace by considering how people can work together to care for and protect river environments. They will reflect on the importance of living in harmony with nature, resolving conflicts over resources respectfully, and taking responsibility for creating sustainable communities.
