EXTENDED LEARNING

History

Imagine you are someone living in the past who has been accused of a crime. Write a diary entry describing your experience and feelings.

Science

Tell the story of a scientist's life or discovery through a comic strip with illustrations and speech bubbles.

DT

Help prepare a healthy dish at home. Take photos or write a short report explaining what you made, the ingredients used, and the techniques you learned. These food creations can also be brought into school to share.

Art

Design a more colourful or child-friendly gas mask, inspired by the real ones children had during the war.

RE

Write a poem, reflection, or prayer expressing ideas about God, belief, or wonder about the world.
