### RE

Choose a county in the world (not the UK). Research how they celebrate Christmas. Once you have researched, draw a picture to show what you think Christmas looks like in that country.

### Science

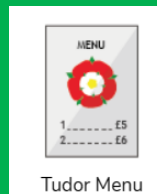

Research 'Thomas Edison'.

Create a poster about what you have found out about him and why you think he is important - this can include written information and drawings.

### History

Create a Tudor Menu fit for a Tudor King (on Purple Mash). You will need to research what rich people would've eaten in Tudor times.

### Art

Research instructions and make an origami sculpture of your choice! There are some simple suggestions on this link you could use: [Easy origami for kids](#) | [BBC Good Food](#)
