## Homework menu

### Elm class – Autumn 2

#### Weekly activities

Reading	Read for 10 minutes to an adult at least 3 times a week. 5 dojos are given once a child has read to an adult 10 times.
Times Tables	Times Tables are set on TTRS; please complete for 10 minutes 3 times a week.
Spelling	Assignments will be set on Spelling Shed every week. Please complete 10 minutes 3 times a week.
Additional SATs resources	SATs questions may be sent home as additional homework. 5 dojos will be given for those that complete.

#### Science

In class we are learning about evolution and inheritance. A key scientist in this area is Mary Anning. Research Mary Anning and find out how she was involved with fossils. Can you use your shading skills from last half-term to draw some fossils?

#### DT

In class we are learning about bridges. Can you build a bridge at home between two tables that can hold a brick? At the end of term we will experiment with some ideas.

#### Geography

In class we are learning about rivers. Can you make a model river using any resources and label the key features such as: source, mouth, meander, oxbow lake, delta and confluence.

#### Computing

In class we are learning about how to be safe online. Please create a poster for school that promotes online safety.

#### RE

In class we are learning about Advent. Please create a 12 door Action Advent Calendar. Behind each door there must be either a Bible verse, short prayer or a kind action you could do on that day.
