Attendance

The whole school attendance for this week is 92.3%, with Willow having 95.9% attendance this week.

Highlights

- The resilience that children have shown whilst doing assessments this week has been outstanding.
- Maple class had a great Money Sense workshop hosted by Natwest Bank.
- Our year 2 footballers had a brilliant afternoon last Friday at PoolFoot Farm in the Wyre Football Skills Event.

CELEBRATING SUCCESS

Our Deputy Head Girl (above) was successful in the Pony Club Winter League Mounted Games on Sunday. She competed in both the Novice Junior and Novice teams for Lancaster and District Pony Club; achieving 1st place for the Juniors in the heat and the league, and 4th and 2nd places for Junior Novices in the heat and the league.

One of our talented Year 4 pupils football team Fylde Coast Xavi's U8 (right) have made it to the final of the Coulton Cup which will be played at Highbury Stadium on 13 May and live streamed on YouTube

Just look at this fabulous homework! Pupils from Ash and Willow (photos below) showed their hard work in assembly to the whole school. They have been making castles and bug habitats, and we think they are fantastic!

Don't forget to send in your out of school successes! Email head@fleetwoods.lancs.sch.uk or bursar@fleetwoods.lancs.sch.uk

Eco Warriors

!!Competition!!

Earth day is on April 23rd this year and so we'd like a poster deigned to be displayed around Preesall and Knott End. The theme is Help the Earth. Entries cost 50pm and should be handed in to the school office by Friday 23rd April.

The eco warriors will meet to choose the competition winners during week beginning 25th April.

Summer Term 1 - Forest and Swimming

Oak Class will have Forest sessions on a Friday morning, starting Friday 21st April. Pupils should come to school in thier kit, and bring uniform to change in to. The swimming group will remain the same.

Veg Beds

We are seeking a group of voluteers to help us fix our vegetable beds in preparation for planting after the holidays. If you have a space hour or two in the holidays or one evening please get in touch with Mrs Crompton - j.crompton@fleetwoods.lancs.sch.uk

Please note that school will finish at 1:30pm next Friday.

Safeguarding

If you regularly need another parent or adult to collect your child, please contact Mrs Adams in the office for a form. The safety of pupils is our top priority and we will always check with a parent or carer if we are unsure about collection arrangements.

Easter Service

Our Easter Service will be at St. Oswald's Church on Thursday 30th March at 9am. Pupils from Reception to Year 6 should be dropped off at church between 8:45-8:55am. Any pupils in Breakfast Club will be walked down to church with staff at 8:30am. Parents are welcome to come to the service which will be led by Father Peter. Each class will be doing a short Easter presentation. We will walk back to school after the service.

There is no fear in love.

But perfect love drives out fear,
because fear has to do with punishment.

The one who fears is not made perfect in love.

1 JOHN 4:18

Maple class completed their Money Sense workshop with Natwest Bank this week. They all enjoyed the session, and we may have some future financial consultants in the group!

Here are the fun packed activities planned for next week in the Woodland Den.

Please book on via ParentPay - sessions run until 4:30pm (half session) or 5:30pm (full session), and all children are provided with a drink and a snack. Booking closes 48 in advance online, but contact the office if you need a last minute place in the afterschool club.

Date	Activity	Snack
27/03/23	Kids Choice- Imaginative Play	Biscuits
28/03/23	Easter Colouring	Toast & Jam
29/03/23	I-pads and Lego	Crackers (choice of spreads)
30/03/23	Board Games & Jigsaws	Raisins & Rice Cakes
31/03/23	Closed	Closed

Dates for your diary

Thursday 30/3/23 - Easter Service - St Oswald's Church 9am

Friday 31/3/23 - School closes for Easter holiday 1:30pm

Monday 17/4/23 - School reopens

Monday 1/5/23 - Bank holiday (school closed)

Monday 8/5/23 - Bank holiday (school closed)

Tuesday 9/5/23 - Friday 12/5/23 - Year 6 SATS

Tuesday 23/5/23 - Sports' Day

Thursday 25/5/23 - School closes for half term

Lunches

Please complete the lunch form for ALL pupils in school

CLUBS

Day	Club	Details	Contact
Monday	<p>Gardening 3:30pm – 4:30pm</p> <p>---</p> <p>Snazzy Science Explorers 3:30pm – 4:30pm</p>	Open to Reception class Starts Monday 17th April	<p>j.crompton@fleetwoods.lancs.sch.uk or noxley@fleetwoods.lancs.sch.uk ---</p> <p>mmoore@fleetwoods.lancs.sch.uk</p>
Tuesday	Laura Sandham School of Dance lessons	Pre school, Ash and Oak Dance and movement – £3 per class	gcocker@fleetwoods.lancs.sch.uk
Wednesday	Laura Sandham School of Dance lessons	Skills & Styles and Acro Dance classes as per the timetable – £4 for 45 min class	gcocker@fleetwoods.lancs.sch.uk
Thursday	Cheer Club	Open to Year 3 – 6 Starting 4th May	gcocker@fleetwoods.lancs.sch.uk
Friday	Netball 3:30pm – 4:30pm	***full***	<p>bursar@fleetwoods.lancs.sch.uk or mreeves@fleetwoods.lancs.sch.uk</p>

Sports clubs with Coach Ryan will be shared next week.

Ten top tips for STRONGER PASSWORDS

Passwords continue to be the most common way to prove our identity online. A combination of a username and a password known only to the user provides access to our online accounts and data – and hopefully keeps unauthorised individuals out. As a security measure, though, passwords are relatively weak. People are often predictable in how we choose our passwords, for example – making them less secure. With increasing volumes of usernames and passwords being leaked online, what can we do to keep our data more secure? Here are our top tips for stronger passwords.

BE UNPREDICTABLE

We often choose passwords which are easy to remember: featuring the name of our favourite sports team or favourite film, for instance. Those are predictable passwords. Cyber criminals will routinely try various combinations of passwords relating to sports teams, actors, musical artists and the like – and they often focus on these during major sporting events or around high-profile movie releases.

AVOID GETTING PERSONAL

Many of us use passwords relating to our family, such as children's names or favoured holiday destinations. The problem here is that we also typically post about our holidays and our family on social media – making that information potentially visible to cyber criminals and supplying them with clues which could help them in narrowing down possible passwords we might have set.

NEW PLATFORM, NEW PASSWORD

Where cyber criminals gain access to an online service through a data breach, they often use the data they've stolen to try and access the victim's other accounts. This is because the criminals know that, for convenience, people often use the same password across different services. When we reuse passwords, our security is only as strong as the weakest site where we've used it.

LONGER IS STRONGER

Our passwords are often stored by online services in an encrypted format. In case the service suffers a data breach, the strength of this encryption, however, is dependent on the length of the password you've selected. If your password is only a short one, cyber criminals are significantly more likely to be able to break the encryption and identify your password.

CHECK SOCIAL MEDIA VISIBILITY

Staying up to date with friends and relatives on social media is part of everyday life now. We need to ensure, though, that we limit who can see our posts via each platform's privacy settings. It's also wise to consider what we're posting and if it's really safe to share online. If we restrict what cyber criminals can see, we reduce the chance of them using that information to identify our passwords.

Meet Our Expert

A Certified Information Systems Security Professional (CISSP), Gary Henderson is the Director of IT at a large boarding school in the UK, having previously taught in schools and colleges in Britain and the Middle East. With a particular interest in digital citizenship and cyber security, he believes it is essential that we become more aware of the risks around technology, as well as the benefits.

'DOUBLE LOCK' YOUR DATA

It's possible that cyber criminals may eventually discover your username and password. Enabling multi-factor authentication (MFA) on your accounts, however, reduces the chance of them obtaining access to your data, as they'd also require a code which is provided via an app, SMS message or email. MFA isn't infallible, but it does definitely provide extra protection and security.

DELETE UNUSED ACCOUNTS

Data breaches occur when cyber criminals gain access to an online service and all the data contained within it – including usernames and passwords. Whenever you stop using a service, it's wise to make sure that you delete your entire account and not just the actual app. If the service no longer has your data, there's zero risk of it being leaked should they suffer a data breach in the future.

TRY PASSWORD MANAGERS

Even though most of us have numerous online accounts to manage these days, it's advantageous to avoid password re-use. Specialist password management software (like Dashlane or OnePassword, among others) can help by storing a different password for every online service that you have an account with: the only one you or child will need to remember is the single master password.

GET CREATIVE

The British government's National Cyber Security Centre (NCSC) recommends the 'three random words' technique. This method helps you create a password which is unique, complex and long – yet which is memorable enough to stay in your mind ("FourBlueShoes", for example). The NCSC website, incidentally, also offers plenty of other useful information relating to personal cyber security.

STAY VIGILANT

The best way to protect your accounts and your data is to be vigilant and careful. If you receive an email or text message that's unusual or unexpected, treat it as suspicious until you're able to verify whether it's genuine and safe. Starting from a position of vigilance and caution will reduce the likelihood of you or your child being tricked by a malicious email, text or phone call.
