Dear all,

I am writing to consult with you on our plans to change the running of our Nursery/Pre-school at Preesall Fleetwood's Charity School to Governor led provision instead of a school nursery class.

Specifically, the proposal is to reinstate the age range of Preesall Fleetwood's Charity School to 4 - 11 years, as opposed to the current 3 - 11 years. The proposal has arisen to allow us more flexibility within the nursery. We will still continue to offer the highest quality educational experience for nursery age children in order to ensure our children are school ready.

Under the new proposals we will have more flexibility with staffing, however, the children will still see the same familiar faces.

In addition, we are now hoping to offer provision for a small number of 2 year-olds alongside the existing 3/4 year-olds. There will be no change to the total number of places available (currently 24) but we will be able to offer up to 5 places for 2 year-olds as part of the 24 places per day on offer. We have a team of experienced and passionate EYFS staff and will be operating according to necessary adult to child ratios.

The structure of the day for nursery pupils will reflect that of the school. There will be no disruption to our current provision and there will be no impact on the current function or quality of provision.

This consultation ends on Friday 23<sup>rd</sup> May.

Our governing body will consider any feedback you may wish to offer before making a final recommendation to run our Nursery/Pre School as Governor led provision under Section 27 of the Education Act.

Please contact school for any further information, we are always here to help.

Kind regards,

Victoria Gladwin
