

History:

Ask grandparents/ older family members if they have any pictures of their house from 20+ years ago, if not then discuss how houses have changed since they were younger.

****Remember
to read often**

Literacy:

Read a story you enjoy and create a picture to show which is your favourite part. Try your best to write a sentence to explain why it is your favourite story.

Maths:

Master number bonds to 10. Recognise and order numbers to 10, create a repeating pattern with some of your toys from home. For example, you could use lego/dolls/shells/conkers and if not I'm sure you could find some sticks/stones!

**Ash Class'
lovely
learning
menu!**

PSHE:

Create a family portrait, draw a picture of the people who are important to you.

Geography:

Draw yourself a map, represent places close to your home such as a shop, road, other houses, the park etc.

Build words using phase 3 digraphs, see how many words you can think of involving the digraphs we have learnt.
