FROGGY STARS: STRIVE • TEAMWORK • AMBITION • RESILIENCE = SUCCESS

★ A WONDERFUL WEEK AT FLOWERY FIELD

Firstly, I would like to thank everyone involved in the opening of Lila's Garden last week. It was lovely to see our children and staff speaking so warmly about Lila on Monday's edition of Granada Tonight. The garden is a very special place for our school community, and we are grateful to everyone whose kindness, time and generosity helped to create it.

♥ KINDNESS IN ACTION

This week's assemblies have continued to reinforce our core school values of STRIVE, TEAMWORK, AMBITION and RESILIENCE. These values underpin everything we do at Flowery Field and help children develop the attitudes and learning behaviours needed to succeed in school and beyond.

Our focus this week has been KINDNESS. We have explored what it means to be kind to ourselves, to one another, to our school and to the wider community. Children have been encouraged to notice when others need help, use thoughtful words and recognise the difference that small acts of kindness can make.

★ FROGGY GOLDEN STAR AWARDS

Our Celebration Assemblies continue to recognise children who consistently go above and beyond. Special congratulations to this week's Froggy Golden Star Award winners:

Felicity (RSW) • Aiden, Daisy, Logan and Lola (3BV)
Junhao (4DY) • Bonnie, Tommy, Hattie, Daisy and Harper (4CB)
Reuben and Maya (5GO)

We look forward to celebrating many more children in the weeks ahead.

● WORLD MENTAL HEALTH DAY

This week, we marked World Mental Health Day, reminding children that looking after our emotional wellbeing is really important. At Flowery Field, we use the Zones of Regulation to help children recognise, understand and talk about their emotions.

BLUE ZONE	GREEN ZONE	YELLOW ZONE	RED ZONE
sad • tired • bored	calm • happy • focused	anxious • excited • frustrated	angry • out of control

● HELPING CHILDREN MANAGE THEIR EMOTIONS

Through the Zones of Regulation, we help children find the words to explain how they are feeling and learn positive ways to manage their emotions. We would love families to continue these conversations at home.

Ask your child: 'Which zone are you in?'
Talk about what may have made them feel that way.
Think together about what could help.

Most importantly, please remind your child that there is always someone who will listen. If you or your child needs a little extra support, please reach out to us.

● PARENT DROP-IN: MHST, SPEECH & LANGUAGE AND SEND

On Monday, we are looking forward to welcoming our school nurses, Speech and Language Therapist and Mental Health in Schools Practitioners. They will be holding parent drop-in sessions for families who would like advice about supporting their child's emotional, social or communication development.

The team will also be able to advise families about pathways to further specialist support. Mrs Vo Mullins will be available to explain the school's SEND process.

MONDAY 12 OCTOBER 2026
Morning session: 9:00am to 10:00am
Afternoon session: 2:00pm to 3:00pm
Please come to the front office on arrival

These relaxed sessions will give you the opportunity to:

- ✓ learn more about the services offered in school
- ✓ ask questions in a friendly and informal setting
- ✓ find out how to access further support if needed

★ GIRLS' FOOTBALL TOURNAMENT CHAMPIONS

Congratulations to our girls' football team, who were crowned tournament champions at this week's Sport First Coaching competition!

The girls played fantastic football throughout, progressing from the group stage before winning their semi-final and holding their nerve to win a thrilling final on penalties after the match finished level.

UNDEFEATED THROUGHOUT!
Played 8 • Won 6 • Drawn 2
11 goals scored • only 2 conceded

A special congratulations to Ellie, who was named Player of the Tournament. Thank you to everyone who supported the girls and to Sport First Coaching for organising the competition. We are incredibly proud of the whole team!
