

## FROGGY STARS 10.7.26

**World Cup:** the week started with some sleepy but happy children after England's win against Mexico! We're all hoping that Harry Kane and the boys can repeat their heroics in the Azteca Stadium, and defeat Norway on Saturday night!

**Tameside Summer Reading Challenge:** on Tuesday of this week we were joined in Assembly by James and Josh from Tameside Libraries, who shared news of this year's Tameside Summer Reading Challenge with the children. This year's theme, "Read to the Beat", celebrates the connection between reading and music, inspiring children to explore new stories, discover great books and enjoy the pleasure of reading throughout the holidays.

The challenge is free to join through any Tameside library. Children simply need to read six library books over the summer to collect rewards along the way, with a certificate and medal awarded for completing the challenge. Reading regularly over the summer helps children maintain their reading skills and develop a lifelong love of books. We would love to see as many Flowery Field children as possible taking part! More information can be found via the link below:

**Summer weather:** a huge well done to all of our pupils for the fantastic adaptability and resilience they have shown as temperatures have climbed this week. Despite the higher temperatures, children have continued to approach their learning with enthusiasm, supported one another, and embraced adjustments to routines with positivity.

**Sports Day:** these take place next week. We hope you are able to join us!

Again, a reminder that Sport First Coaching are once again running their sports and craft clubs during the summer holiday. We have been fortunate to receive funding for the full 5 weeks, enabling us to offer this provision. Children entitled to benefit-related school meals are able to attend free of charge.

Have a fantastic weekend!

Best wishes,

Mr P Smith

Vice Principal

### Upcoming Events
