

## FROGGY STARS 3.7.26

As we approach the end of another busy and action-packed period in school, I wanted to take a moment to reflect on some of the highlights from the last couple of weeks and to thank you for your continued support.

**The heat:** last week's exceptionally warm weather brought some challenges for us all, but we were very proud of how our children responded. Throughout the week, pupils demonstrated remarkable resilience, maturity and adaptability. They adjusted well to some changes in routines, took sensible steps to stay cool and hydrated, and continued to approach their learning with enthusiasm and positivity.

**Year 5's wonderful Whitby trips:** a particular highlight of the past two weeks has been the success of our Y5 visits to Whitby. All three Y5 classes represented the school brilliantly throughout their time away and embraced every opportunity with enthusiasm and curiosity. The trips provided memorable experiences, opportunities to develop independence and resilience, and valuable learning beyond the classroom. Staff were incredibly proud of the children's behaviour, manners and willingness to challenge themselves.

**Cheer superstars:** huge congratulations to our incredible Flowery Field Flames cheer squads on their outstanding achievements at the UKCA competition. Our KS2 team once again delivered a phenomenal performance, bringing home 1st Place in Pom (for the fourth consecutive year!) and 1st Place in Urban Cheer (for the third consecutive year!). This year also marked an exciting milestone for the school as our KSI squad made their UKCA competition debut. Competing for the very first time, with an amazing 1st Place finish! We are immensely proud of all of our dancers, who represented the school with such professionalism, positivity and determination. Their success reflects countless hours of practice and teamwork, as well as the support of staff and families who have encouraged them every step of the way.

**Welcoming our new Reception children:** we have also been delighted to welcome our newest members of the Flowery Field family during our Reception transition events this week. It has been wonderful to see so many children visiting their new classrooms, meeting staff and beginning to build friendships ahead of September. Starting school is a significant milestone, and these transition opportunities help children become familiar with their new environment while building confidence and excitement for the year ahead. Now the classes for next year have been confirmed, transition events for other year groups will be taking place across school.

**Looking ahead:** dates for year group's Sports Day are now published on the school website and in the dates below. We hope you are able to join us!

A reminder that Sport First Coaching are once again running their sports and craft clubs during the summer holiday. We have been fortunate to receive funding for the full 5 weeks, enabling us to offer this provision. Children entitled to benefit-related school meals are able to attend free of charge.

Thank you for your continued support and have a wonderful weekend, and fingers crossed for an England victory against Mexico! Please see the separate message about arrangements for Monday 6<sup>th</sup> July: [England v Mexico](#) | [Flowery Field Primary School](#)

Best wishes,

Mr P Smith

Vice Principal
