★ THANK YOU: CHILDREN IN NEED

A huge thank you to all our families for supporting this year's Children in Need appeal. Together, we have raised an amazing £398.95. It was wonderful to see so many children wearing their spots and taking part in spotty challenges for such an important cause.

Throughout November, we will continue to support those less fortunate than ourselves by collecting donations for our local food bank and new or unused toys for our Christmas Toy Appeal. All donations will be gratefully received.

★ REMEMBRANCE AND RESPECT

Our assemblies this week revisited learning from the autumn term, reminding children about significant events from the past and the importance of learning from them. We are incredibly proud of the respect shown by our whole community in marking Remembrance Da

★ FROGGY GOLDEN STAR AWARDS

★ CELEBRATING SUCCESS BEYOND SCHOOL

We are proud to celebrate children who are developing their talents outside school. We have many budding gymnasts, footballers, swimmers and dancers. Sharing these achievements inspires others and celebrates the ambition and resilience shown across our community.

We are currently looking for photographs of children enjoying their hobbies or celebrating achievements for our Out-of-School Success Board. Please send photographs to school so that we can celebrate them together.

★ LEARNING ACROSS FLOWERY FIELD

On Wednesday, we welcomed visitors from Enquire Learning Trust, who joined lessons across the curriculum. They were impressed by the children's engagement and their ability to remember and connect prior learning. Children spoke confidently and articulately about what they had learned and what they enjoy about being part of Flowery Field. Well done, everyone!

★ ANTI-BULLYING WEEK: BREAK THE SILENCE

Next week is Anti-Bullying Week. This year's theme, 'Break the Silence', encourages children, young people and adults to start open conversations, listen carefully, speak up and take action against bullying together.

On Monday, children are invited to wear odd socks to celebrate individuality and recognise what makes each person unique.

• IMPORTANT: ONLINE SAFEGUARDING

We have noticed an increase in children talking about and acting out games such as Five Nights at Freddy's and Grand Theft Auto (GTA). These games contain violent and frightening content and are not suitable for primary-aged children. GTA is rated 18, and parents should carefully check the age ratings and content of any games their child accesses.

We have also become aware that some children are accessing online group-chat forums. This can create significant safeguarding risks, particularly where children communicate with people they do not know. Please check your child's privacy settings, supervise their online activity and make sure you know who they are communicating with.
