FROGGY STARS

WEEKLY NEWSLETTER • 6 NOVEMBER 2026

STRIVE • TEAMWORK • AMBITION • RESILIENCE = SUCCESS

★ LEARNING TOGETHER

Firstly, a huge thank you to all the families who embraced our learning challenges over the half-term break. The children have loved sharing their creations in assemblies and, importantly, have been able to retrieve key learning from before the holiday.

All families should now have access to our retrieval quizzes through the QR codes. Please revisit these regularly at home. The knowledge children are retrieving now will be built upon throughout the school year.

★ FROGGY GOLDEN STAR AWARDS

Our Celebration Assemblies recognise children who consistently go above and beyond. Congratulations to this week's Froggy Golden Star Award winners:

★ 200 AWARD ★

A very special congratulations to Maya R (5GO) and Talia (3GV), who have both achieved their fantastic 200 Award. Well done!

★ GEOGRAPHY: UNDERSTANDING OUR PLACE IN THE WORLD

This half term, our curriculum focus is Geography, helping children develop their understanding of their place in the world and increase their knowledge of important places, environments and physical features.

Year 1	Countries, Capitals and Seas of the UK
Year 2	The Equator and Climate
Year 3	Mountains, Volcanoes and Earthquakes
Year 4	Rivers
Year 5	Comparing Life in the Lake District and the Amazon
Year 6	Biomes and Vegetation Belts

Please ask your child what they have been learning. You may be surprised by how much they already know!

♥ WORKING TOGETHER: PARENT CONSULTATIONS

It was wonderful to welcome so many families to our autumn Parent Consultation Evening on Wednesday. We are extremely proud of how well the children have settled into their new classes and the progress they are making.

A further consultation event will take place on Wednesday 18 November for our remaining families. If you have not yet had the opportunity to speak to your child's class teacher, please contact the school office to book an appointment.

● MORNING DROP-OFF AND BREAKFAST PROVISION

We have seen a significant increase in the number of children using our morning drop-off. To ensure appropriate supervision, all children using drop-off will now enter through the main office and make their way to the halls before going to class. Older and younger children will use separate halls to help us supervise everyone safely.

Breakfast provision remains available but must be booked through the My Child at School app. Flowery Fun continues to provide wraparound care from 7:30am to 5:30pm.

● THANK YOU, MR BELL

Today we say goodbye to Mr Bell, our Premises Manager. We are incredibly grateful for everything he has done over recent months to help look after our school site and wish him every success in his new role.

We are now recruiting a new Premises Manager and are looking for someone with experience in compliance and maintenance to join the Flowery Field team.

Find out more and apply for the Flowery Field Premises Manager position

● SMART SCHOOL COUNCIL: CHILDREN IN NEED

This week, children have used their Smart School Council sessions to vote on how they would like to mark Children in Need. The votes are in, and the children have chosen a non-uniform day!

We are asking families who are able to make a £1 donation, either by bringing it into school or paying through the My Child at School app.

Throughout November, we are also collecting new or unused toys for our Christmas Toy Appeal and donations for our local food bank. Thank you for supporting our community.

● REMEMBRANCE

Our Flowery Fun Club children have been busy preparing for our Remembrance activities. Please take a moment to look at their thoughtful act of remembrance when entering the school site.

Next week, assemblies will focus on Remembrance and respect, helping children understand why we remember and the importance of showing gratitude and respect.

♥ CELEBRATING WITH OUR COMMUNITY

Finally, we send our very best wishes to all families celebrating this weekend. Alongside the many firework celebrations taking place, members of our community will be celebrating Diwali, the Festival of Lights. This is an important time for families to come together, celebrate and spend time with loved ones.

We wish everyone celebrating a very happy and joyous Diwali.
