Forefield Matters

10th July 2026

Dear Parents, Carers and Children,

I have had the tremendous privilege of reading every single report (all 360!) for our amazing pupils. There were so many positives to celebrate. Hopefully, all of the reports have now been shared via email. Thank you to our school office team for completing this yesterday.

As the national data for SATs results was not published on Tuesday, we are still awaiting the final results. We have been assured that the data will be released next Thursday and we will endeavor to share results as soon as possible.

It was lovely to be invited to the Y2 Leavers' Performance on Thursday afternoon. We are looking forward to welcoming their talents in September! Next **Tuesday**, it is the turn of our oldest pupils to 'put on a show' and I have no doubt that they will do just that! I have only heard snippets so far, but would suggest you bring your tissues if you are coming to watch at 7:00pm.

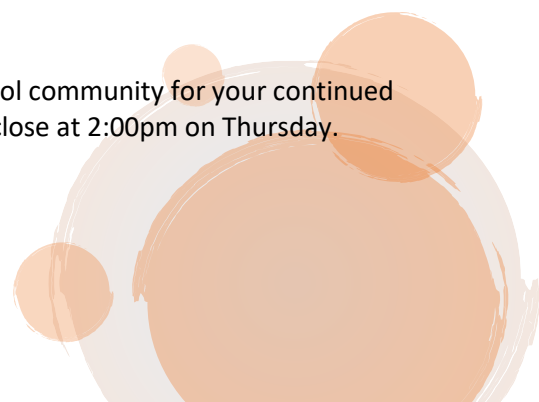

Attendance this week remains high, with 5S winning the trophy with 98.3% and in joint second place with 97.5% were 4W and 3KS. We still have lots to do before we finish, including our awards for 'Pupil of the Term,' football and netball competitions, drumming, swimming and of course our final assembly which will include some special end of year videos...

This week started early, with the arrival of over 65 England football fans in The Studio to watch the World Cup match against Mexico at 8:00am! Their victory means that the quarter-final takes place over the weekend and I'm sure many families will be tuning in.

The week has ended with a quarter of the school enjoying some outdoor adventures in Formby. Year 5 set off early this morning to complete the various obstacle courses and challenges. No doubt they will be tired when they return at 4:00pm but hopefully with even more memories. Thank you to all the volunteers and staff that accompanied them on their adventures!

Finally, thank you to all of our school community for your continued support throughout the year – we close at 2:00pm on Thursday.

Have a lovely summer!
