Term Time Absence:

Please note that term time absence can only be authorised in **exceptional circumstances** and that in-line with government guidelines, Sefton LA may issue penalty notices to families taking holidays during term time.

Dear Parents, Carers and Children,

Although we are halfway through June, we are certainly not experiencing summer weather! It must be because Mrs Russell has presented her 'Sun Safe' assembly! Please could you ensure that your child continues to bring a coat to school as it has been very wet on some days and the forecast suggests that the rain could be with us a while longer.

Next week at FJS it is 'Arts Week', planned to coincide with Access All Arts week which is a nationwide, week-long celebration of the arts, specially designed for primary schools. Between 17 – 21 June 2024 we will take our pupils on a creative adventure with a whole host of brand-new arts resources. Our new theme for 2024 is 'Connection' and all of our new resources will help pupils to explore how they can connect to themselves, each other and the world around them, through the arts. There will be opportunities to produce both 2-D and 3-D artwork, try film and photography and join in with music and dance! We will even be creating a 'connected' version of Renoir's 'Luncheon of the Boating Party.'

Next week, as part of their geography and art lessons, Year 4 pupils will be touring our local area and then using their art skills (it is arts week after all!) to sketch Antony Gormley's famous sculptures on Crosby Beach.

Our netball team are still participating in their league matches and continuing to impress Miss Berry, who is delighted with their team spirit. In other sporting news, Mrs Lambrianides has just found out that she has won a competition with Starling Bank and the prize is new sports kit and equipment for FJS!

Year 6 pupils are currently auditioning for parts in the Leavers' Celebration which they will share with their parents over two nights in July. The Year 6 team have been impressed with the level of talent being showcased, and now can't wait to write the script!

3M and 3B are joint winners of our Attendance trophy this week. They both achieved 99.2% attendance. Each week we strive to hit 97% attendance as a school and on each occasion we 'bank' £10 for the School Council to spend. Excellent attendance has a really positive effect on friendship, confidence and resilience as well as academic results. Thank you for your continued support!
