3H are our attendance winners this week with a 99.2%! 4H were second with 96.8% and 6W third with 96.7%

Dear Parents, Carers and Children,

This week we enjoyed a fantastic water safety themed class assembly from 4W. We even had some extra special 'visitors' appear on the big screen to share the message even more clearly. The audience said: "What an amazing performance from you all, you're superstars! Loved every minute." "What a fantastic assembly on a very important subject. Loved it!" "Singing was brilliant – you should all be very PROUD!"

Whilst we are only halfway through Summer 2, we have already started the important process of preparing pupils for September. Year 2 children are becoming frequent visitors and we have lots of transition meetings with local high schools. Next week (on Thursday and Friday) all of our pupils will have the opportunity to meet their new teachers and visit their new classrooms. This is always an exciting time of year and is designed to ensure that pupils start getting to know the routines and expectations for next year.

The chart below shows where each class will be in 2026-27...

As you know, I will be retiring in August, but we will also be saying farewell to Mrs Summers (3KS) who is taking up a full-time teaching post in specialist provision in Knowsley and Mrs Elston (one of our ELSA/TA team) who is also retiring after nine years at FJS. They will be sadly missed, but we wish them all the best for the future.
