Attendance: 3W won the trophy with 99.2% attendance again this week! The summer term should be an opportunity for pupils to improve their attendance and punctuality. We aim for 97%+, below 95% is a concern and below 90% is recorded as 'Persistent Absence.'

!

Dear Parents, Carers and Children,

It has been another busy week at FJS! I sometimes wonder how we fit it all in! Obviously, the big event this week has been the two transition days on Thursday/Friday. There has certainly been a buzz around school with 90 Year 2 visitors and our current Year 6 excited for their high school visits. Everyone has had the opportunity to meet their new teachers in their new classrooms and they already look very settled!

As the year draws to an end, Mr Croot would like to pass on a message regarding this year's Sunflower Competition: 'I hope that you have been enjoying growing and caring for your sunflowers. My own are looking pretty good at the moment and I can just about see some flower heads appearing. The slugs have been kind to me this year! If any pupil would like to put their sunflower forward as a potential winner, please email a photograph of your sunflower to school with the following details attached:

- Name of pupil/class/height of sunflower (cm)

A winner will be announced before the end of the year. Thank you so much for taking part in this technology-free competition. Photographs MUST be emailed to school by Friday 4th July. Email address: schooloffice@forefieldjuniors.co.uk

The Year 6 teachers and children would like to say a MASSIVE thank you to all the parents/carers that gave up their time on Tuesday to take part in this year's Careers Carousel. Lasting for just over two hours, 15 adults gave short presentations to groups of children, about their chosen careers. The atmosphere in the studio was brilliant. The children asked lots of questions and had a most enjoyable afternoon. Thank you once again to all of the adults that attended – you have helped to inspire the next generation of workers!

Another inspirational visitor to our school was Dr Diane Davies – an archaeologist specialising in the ancient Maya civilization. Our Year 5 pupils were very impressed with her knowledge and expertise – a great bonus for their history lessons!

Next week it is Sports Day on Tuesday (see diary for timings) and on Thursday we will be holding meetings for the parents of our September Y3 intake.

Have a lovely weekend!
