Dear Parents, Carers and Children,

Welcome back to the final half-term of the school year!

Year 6, with lots of adult support (including staff, parents and other volunteers) have been in Ambleside all week and are due to return today! This residential visit has been a firm favourite for decades at FJS and some parents may even remember their own time by Lake Windermere. Although elements of the visit have changed over the years, the essence has remained the same: an opportunity for our oldest pupils to create life-long memories before they move on to their new high schools. We have been sharing photographs/updates each day on Seesaw and lots of weather reports! When I visited on Wednesday, they were having a fantastic time – despite the British 'summer' weather!

It may seem very early to mention the Y4 residential to Robinwood in April 2027, but preparations are already underway. Year 3 parents will soon be asked for expressions of interest and a deposit in order for us to gauge numbers.

## WATER SAFETY

Lee and Ali, from Merseyside Fire and Rescue, visited FJS on Wednesday to speak to pupils about water safety. The key message was to keep out of open water and to not go in to try to rescue anyone else. They shared the water safety code:

STOP AND THINK - STAY TOGETHER -  
CALL 999 - FLOAT LIKE A STAR

Please note: pupils on residential visits only enter water under strict supervision of trained instructors, wearing the correct equipment (pictured above!).
