Mersey View Learning Trust

From the 1st September 2024, FJS, alongside other local schools, is now a part of the Mersey View Learning Trust.

Dear Parents, Carers and Children,

Welcome back to a new school year!

This is our first newsletter for the new academic year. It will be shared on SeeSaw, on the website, X and a paper copy displayed in our playground notice board. This week, new Year 3 children will also receive a paper copy.

We have had a fantastic start back to school and it has been lovely to see how quickly our new pupils have settled into the juniors. It's still early days, but all our staff have been impressed!

Thank you for supporting our uniform policy – everyone looks very smart in their shiny new shoes! Remember, as we live in the UK, dress according to the weather not the season. In other words, in the middle of a heatwave children are more comfortable in polo shirts and shorts but be prepared to face rain next week and bring a waterproof coat! Please remember sun cream, hats and water bottles too.

Thank you also for waiting behind the red cones at pick-up time. It is always busy on the playground in the first days and weeks of the new school year so it is appreciated. Our older, more independent children may have pre-arranged meet-up points with parents, but for now our younger pupils will be handed over to adults – please bear with us as we get to know lots of new names and faces.

When you do collect your child from the playground at the end of the day, it is helpful if only one adult collects and we respectfully ask that dogs (even cute ones!) do not come onto the playground. Thank you.

Hopefully you have seen (and signed) your child's home/school diary and read the relevant information that it contains.

Forthcoming dates will shortly be available on our website and the first 'event' to be aware of is our annual **Macmillan Coffee Morning** on Friday, 27th September...

Doors to the dance studio will open shortly after 9:00am – once everything is set up. We will be asking for cake donations nearer the time and the money raised will go to Macmillan.

Attendance has been making headlines across the country, so I am pleased to say that our attendance figures have been excellent this week with 100% attendance in several classes and an overall attendance rate of 98.6%.
