Forefield Matters

Dear Parents/Carers,

What a fantastic first full week back at school we have had. It has been wonderful to see the children return with such enthusiasm, excitement and positivity. Classrooms have been filled with laughter, learning and lots of conversations as we begin another exciting school year together.

This week, we have been thinking carefully about what it means to belong. Belonging is about feeling that you are an important part of something — that you are welcomed, valued, listened to and cared for. At our school, we want every child to know:

"You belong here. You are valued.

You are an important part of our school family."

We have talked about all the different groups we belong to — our families, friendship groups, clubs, teams, communities and, of course, our school.

We have also thought about how we can help others to feel that they belong. Simple things such as saying hello, inviting someone to join in, listening to others, showing kindness and celebrating differences can make a huge difference.

The first week back has been a brilliant opportunity for children to reconnect with old friends and make new ones. We have encouraged everyone to look out for one another and make sure that nobody feels left out.

Alongside our focus on belonging, the children have been busy getting back into their learning routines. We have seen some fantastic examples of curiosity, resilience and determination in classrooms.

Year of Reading Treasure Hunt

As part of our Year of Reading celebrations, schools across the local area have organised a special Reading Treasure Hunt! Each school shown on the poster will have a letter displayed on its school gate. Can you visit all the schools, collect the letters and work out which famous book character they spell? If you complete the treasure hunt, come and tell your teacher next week. Good luck, and happy hunting!

A huge well done to all of our children for such a positive first week back. Starting a new year can bring lots of different feelings, but we are incredibly **proud** of the way the children have settled, supported one another and embraced being back together.

We will be hosting Key Information meeting on Wednesday 23rd September @ 5pm. These short meetings will be a chance to come to school, meet your child's class teacher, visit their classroom and hear the key messages to help your child succeed this academic year. These meeting are for grown-up's, so we politely request children do not attend.

Have a wonderful weekend and enjoy some well-deserved family time.

Mrs Roberts

Key Dates

23 rd Sept	5-5.30pm - Key Information/Welcome Meetings for all year groups
28 th Sept	Yr 5 Wonder Dome
29 th Sept	Flu Vaccinations
14 th Oct	5-7pm - Family Photographs @ Forefield Infants
