Forefield Matters

Dear Parents and Carers,

It has been another busy week here at Forefield, with lots of wonderful learning taking place across the school. As part of our *Year of Reading* celebrations, some of our Year 6 children have volunteered to take part in our local schools' Readathon Challenge. Working alongside other schools in the local area, the children will be writing a story collaboratively, with each school writing a different section of the story. The story will then travel across the Crosby area, growing from school to school, as children pass on the "storytelling baton" until the story is complete. We cannot wait to share the finished version with you! This week, some of our Year 6 and Year 2 children worked together to share ideas and write our very own Forefield paragraph of the story in preparation for the main event which will take place in October. A huge thank you to Pritchards Bookshop in Crosby for sponsoring this exciting initiative.

Catering - Thank you for the emails and updates you have sent regarding the various catering issues and concerns. I would like to reassure you that I am passing all concerns raised on to the appropriate bodies. This week, I attended a meeting with key executives from the catering company and shared the feedback and concerns received from parents. I am pleased to report that most of the issues raised now appear to have been resolved, and our new Head Chef, Liam, is working hard with us to address any further concerns that may arise.

Key Information Meetings - Thank you to everyone who was able to attend our Key Information Meetings this week. It was lovely to welcome so many of you into school, and I hope that you found the meetings useful and informative.

Flu Vaccinations - On Tuesday 29th September, the School Health Team will be in school to administer flu vaccinations to children whose parents have provided consent. If you have not yet given consent and would like your child to receive the vaccination, please visit the website below and complete the consent form before Monday.

Yr5 Wonder Dome Visit - Next week, we are also looking forward to welcoming the Wonder Dome to school for our Year 5 children. This promises to be a fantastic and memorable learning experience.

Schools Lottery – This week we are launching our Schools Lottery. Tickets are just £1 a week and every ticket has the chance to win a £25,000 jackpot, as well as regular super draws, bonus prizes and more. See letter and poster below for more information.

Thank you, as always, for your continued support.

Have a wonderful weekend.

Mrs Roberts
Headteacher

Dear Parents and Carers,

We're delighted to introduce an exciting new way for our parents, families, friends, and the wider school community to support our fundraising - we've joined Your School Lottery!

For just £1 a week, you can help us raise much-needed funds that will benefit our pupils, and you'll also be in with the chance of winning some fantastic prizes. Someone supporting our school is guaranteed to win cash prize every week, and every ticket has the chance to win the incredible £25,000 jackpot. It's a prize that really can be won; the jackpot was won seven times last year!

Players can also look forward to regular Super Draws, offering exciting bonus prizes throughout the year alongside the usual weekly draws. Every ticket makes a difference, so we'd love as many members of our school community as possible to get involved. You can support our school yourself and help us spread the word by sharing the lottery with friends and family too.

Join our lottery today for just £1 a week and help us raise valuable funds for our school while giving yourself the chance to become one of our lucky winners!
