Forefield Matters

Dear Parents and Carers,

Our week began with an exciting visit from the Wonder Dome for our Year 5 children. The school hall was transformed into a planetarium, allowing pupils to explore the wonders of space and deepen their understanding of the universe. Across the school, children have enjoyed a range of learning experiences. Year 6 have been developing their biography writing skills, while Year 4 have produced some fantastic story plans ready to write their own stories. Our Year 3 children have now fully settled into junior school life and have particularly enjoyed learning about the Stone Age, as part of their topic this half term.

Parents' Evening

You should all have received a link to book an appointment for Parents' Evening. These meetings provide an important opportunity to speak with your child's class teacher, discuss how they have settled into their new year group, and learn about their targets and next steps. We look forward to working together to support every child in achieving their very best.

School Lottery

Thank you to everyone who has purchased a ticket for our School Lottery. Your support helps us raise valuable funds for the school, and we wish all participants the very best of luck in the upcoming draws. If you haven't joined yet and would like to support the school while having the chance to win some fantastic prizes, you can do so using the link below. The next draw is on Saturday.

Our PROUD Values

This week, we have been reminding children about our PROUD values, with a particular focus on our high expectations for behaviour and learning throughout the school. We continue to encourage children to demonstrate these values in the classroom, around the school environment and in their interactions with others.

Morning Playground Expectations

Gates to school open at 8.35am. Doors to school open at 8.45am and close at 8.55am prompt. This is our official start time and children should be in school by 8.55am. Whilst waiting on the playground, can I please remind children footballs, bike and scooters should not be played or be rode on school grounds. Children should come off bikes/scooters outside the school gates and walk them to the storage area. This is for health and safety and children should not be riding around a busy playground on these. If your child comes to school alone or with other family members, please pass this message on.

Parent App

I am pleased to announce that we will be launching our Parent App (used at Forefield Infants) next week. This will become the primary form of communication for sending letters, consent forms etc. If you have children in both schools, you will be able to switch between schools to access information for both schools. We will be sending more information out next week.

Have a wonderful weekend.

Mrs Roberts
Executive Headteacher

Diary for week beginning 5th October 2026

Monday:	9.45 - 11.15	4M Swimming
	10.15 - 11.45	5H Swimming
