

3B Newsletter

A note from Miss Berry ...

I have thoroughly enjoyed getting to know you all in the first few weeks of term. We are going to have a brilliant year with lots of exciting things to look forward to - I'm sure we will make lovely memories together throughout the year.

Keep up the good work 3B!

AUTUMN TERM TOPICS

Year 3 will travel in time during their History topic this term - 'The Stone Age to the Iron Age'. Science lessons will focus on investigating 'Magnets and Forces' before our budding scientists move on to a topic all about animals. After half term, we will also be studying the beautiful Lake District.

MATHS IS FUN...

The Ultimate Multiplication Tables Challenge is making a comeback in October. 100 questions in 10 minutes - are you fast enough? Keep practising hard, challenge yourself to move up to the next level!

Remember... if you know one fact you can work out lots more!

$$3 \times 4 = 12$$

$$4 \times 3 = 12$$

$$12 \div 4 = 3$$

$$12 \div 3 = 4$$

$$3 \times 40 = 120$$

$$30 \times 4 = 120$$

$$£1.20 \div 3 = 40p$$
