

# 5R Newsletter

## A note from Mr Shannon

*Hello everyone, I'm so impressed with the amazing start we have all made to Year 5. We've boldly voyaged across the vastness of the solar system in our Space Wonder Dome, created our very own Pop Art and whirled our way around the studio looking very stylish in our dance lessons. And that's just the first few weeks! We have got a year packed with fun ahead of us and I cannot wait to keep going, 5R!*

## MATHS IS FUN...

The Ultimate Multiplication Tables Challenge is making a comeback in October. 100 questions in 10 minutes - are you fast enough? Keep practising hard, challenge yourself to move up to the next level!

Remember... if you know one fact you can work out lots more!

$$3 \times 4 = 12$$

$$4 \times 3 = 12$$

$$12 \div 4 = 3$$

$$12 \div 3 = 4$$

$$3 \times 40 = 120$$

$$30 \times 4 = 120$$

$$£1.20 \div 3 = 40p$$

## AUTUMN TERM TOPICS

In Art, we will be looking at the work of Pop Artists Andy Warhol and Roy Lichtenstein and creating some of our own work inspired by them. Year 5 Science starts with a voyage out into the universe when we study Earth and Space and then moves into the laboratory as we learn about the properties of materials in our Separating Mixtures topic. We will also be putting our sewing skills to the test when we embark on our first DT project of the year.

## PROUD TO BE FOREFIELD

## MR SWIFT SAYS...

Welcome back to the start of a new term. I hope the class newsletter will help you to support your child's learning at home and give a reminder about key dates in the term ahead. A full calendar of events can be found on our website.
