

5S Newsletter

A note from Mrs Schwartz...

What an amazing start to the year we have all had in Year 5. We have only been in school a few weeks and already we have ventured out into the vastness of the solar system, POPPED and WHIZZED our way through art lessons and whirled and twirled our way around the studio in dance! It is going to be an action packed year 5S, keep up the good work!

AUTUMN TERM TOPICS

In Art, we will be looking at the work of Pop Artists Andy Warhol and Roy Lichtenstein and creating some of our own work inspired by them. Year 5 Science starts with a voyage out into the universe when we study Earth and Space and then moves into the laboratory as we learn about the properties of materials in our Separating Mixtures topic. We will also be learning all about Mountains, Volcanos and Earthquakes in our Geography topic.

MATHS IS FUN...

The Ultimate Multiplication Tables Challenge is making a comeback in October. 100 questions in 10 minutes - are you fast enough? Keep practising hard, challenge yourself to move up to the next level!

Remember... if you know one fact you can work out lots more!

$$3 \times 4 = 12$$

$$4 \times 3 = 12$$

$$12 \div 4 = 3$$

$$12 \div 3 = 4$$

$$3 \times 40 = 120$$

$$30 \times 4 = 120$$

$$£1.20 \div 3 = 40p$$
