

# 6C Newsletter

## A note from Mr Croot...

WOW! What an amazing start to the year we have had. Even though we have only been back a few weeks, we have already crammed in so much! Thank you to all of you for the way in which you have begun the year: well behaved and enthusiastic to learn. What great role models you're going to be for the rest of the school. I hope you like your new classroom!

## MATHS IS FUN...

The Ultimate Multiplication Tables Challenge is making a comeback in October. 100 questions in 10 minutes - are you fast enough? Keep practising hard, challenge yourself to move up to the next level!

Remember... if you know one fact you can work out lots more!

$$3 \times 4 = 12$$

$$4 \times 3 = 12$$

$$12 \div 4 = 3$$

$$12 \div 3 = 4$$

$$3 \times 120 = 360$$

$$30 \times 4 = 120$$

$$£1.20 \div 3 = 40p$$

## AUTUMN TERM TOPICS

In Year 6 Science this term we will start with the topic 'Animals including Humans' which will be followed by the topic 'Light and Sight'. In our Geography lessons we will explore how a river system works and visit some of the world's most famous rivers. In Art lessons we will be studying the life and work of Spanish born artist Joan Miro. In DT, we will be constructing controllable vehicles...who will be our top designer?

## PROUD TO BE FOREFIELD

**PASSION**

**RESPECT**

**OPPORTUNITY**

**UNIQUE**
