

6W Newsletter

A note from Mr Wood...

Ahoy there! What a brilliant start we have had in 6W. We have already made a great start to the curriculum despite only being back a few weeks - learning about our circulatory system in science and diving into the murky world of pirates in our English lessons. You are a great crew 6W - keep up the good work. Ooh - argh!

AUTUMN TERM TOPICS

In Year 6 Science this term we will start with the topic 'Animals including Humans' which will be followed by the topic 'Light and Sight'. In our Geography lessons we will explore how a river system works and visit some of the world's most famous rivers. In Art lessons we will be studying the life and work of Spanish born artist Joan Miro. In DT, we will be constructing controllable vehicles...who will be our top designer?

MATHS IS FUN...

The Ultimate Multiplication Tables Challenge is making a comeback in October. 100 questions in 10 minutes - are you fast enough? Keep practising hard, challenge yourself to move up to the next level!

Remember... if you know one fact you can work out lots more!

$$3 \times 4 = 12$$

$$4 \times 3 = 12$$

$$12 \div 4 = 3$$

$$12 \div 3 = 4$$

$$3 \times 120$$

$$30 \times 4 = 120$$

$$£1.20 \div 3 = 40p$$

MR SWIFT SAYS...

Welcome back to the start of a new term. I hope the class newsletter will help you to support your child's learning at home and give a reminder about key dates in the term ahead. A full calendar of events can be found on our website.
