

FOREFIELD MATTERS

1st July 2022

Dear Parents, Carers and Children,

I can't quite believe that it is the 1st of July and we only have 12 more days in school before we finish for the summer holidays. Certainly, there was nothing 'summery' about the torrential downpour of rain that put a stop to our Upper Junior Sports' Day! Although, this is Britain and we can't control the weather. Fortunately, we did manage to complete our Lower Junior Sports' Day and the Year 3 and 4 children enjoyed a full afternoon of activities. This morning in Celebration Assembly, we were able to present trophies and medals to the children who represented the winning countries. The Year 3 trophy went to 'St Lucia' in Mr Shannon's class (3S) and 'Italy' in Mrs Lambrianides' Class (4L). Well done to everyone who participated and thank you to the parents, grandparents and friends who supported the children throughout the afternoon. As a school we were delighted to be able to hold a Sports' Day for the first time since 2019!

Upper Junior Sports' Day will now take place on Friday, 8th July at 9:30am – weather permitting. As you can imagine, it has not been easy to find an alternative date given that the Infant school have a series of sports events, open days and transition afternoons planned before the end of term and our Year 6 children have their Careers Carousel on Wednesday and are busy rehearsing for their Leavers' Assembly. If you able to attend you are very welcome! Fingers crossed that the weather is kind to us!

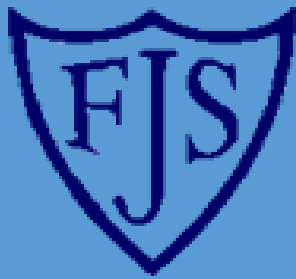

Sunflower Competition update:

Mr Croot would like to let all our sunflower growers know how to secure their place in this year's competition. Maybe your plant is still 'all leaves', or maybe there is a beautiful flower adorning the top! Whatever stage of growth your sunflower is at, everyone is welcome to send in their photographs for Mr Croot to judge. The deadline for photographs is Wednesday, 13th July – 3:30pm. You can email your photographs to school, marking them: FAO Mr Croot's Sunflower Competition. The email address you should use is: schooloffice@forefieldjuniors.co.uk Alternatively, you can bring in a photo of your Sunflower and hand it to Mr Croot, or hand it in to the school office.

Please include the following:

- The photograph should show the whole plant, from the base to the top
- The height of your sunflower, from the base of the plant to the top (Not from the bottom of the pot!)
- The name of the grower
- The class of the grower

Mr Croot will put together an assembly on Monday, 18th July to let the children know who managed to grow the tallest sunflower this year! Thank you everyone for taking part. Getting out in the garden is so good for your mental health which is something that we are committed to promoting at school.

Forefield Junior School,
Crosby

teachers2parents

Author and regular visitor to Forefield, Frank Cottrell-Boyce, was in school today to read extracts from his books and inspire a love of reading in Year 5 and Year 6. The children listened intently and were able to ask lots of questions at the end. Later, with the help of our Reading Ambassadors (pictured above), he was able to sign copies of his books.

It was great to see our 'new Year 3' children visiting us this week – to meet their new teachers and to complete further 'buddy' activities with Year 5. Meetings for parents will be held on Thursday, 7th July at 2:45 pm and 6:00pm. The earlier meeting will finish in time for you to collect your children at normal time and the evening meeting will include a guided tour of the school.

Thank you for your continued support, have a lovely weekend!

P A Swift

Diary for week beginning 4th July 2022

Monday:

8.00 - 8.45	Y5/Y6 Judo
9.45 - 11.15	4S Swimming
10.15 - 11.45	5S Swimming
