

'Smoothie Day' will run every week.

All children have the option to have a healthy fruit smoothie or milkshake drink during their break.

These drinks are full of goodness, vitamins, minerals, fibre and protein and will provide great nutritional benefit to the children.

In every single smoothie there is 5 or more fruits and fruit juices, so your little ones are guaranteed their 5 a day in one cup!

***We are happy to announce we are completely dairy free!
We use oat milk and plant based ice cream in our milkshakes.***

There will be a variety of flavours throughout the term which will be listed on our [BOOKWHEN](#) page.

Our vegan milkshakes will be offered every week alongside our smoothies.

All smoothies are made fresh on site by us with the freshest fruit at a cost of £1.50 each.

Smoothies need to be pre ordered every term

(term length varies) or every year (from the day you book till the end of the school year July 2024).

Please see instructions for our [BOOKWHEN](#) page below.

Unfortunately, once payment has been made refunds cannot be given under any circumstances.

Please read through our refund policy before booking.

Payments on our [BOOKWHEN](#) page will be closed every week from 8:00pm the night before we start in your school. Please do not email or message on our Instagram page after this or on your schools smoothie day as payments cannot be processed.

<https://bookwhen.com/vonniessmoothies>

1. Please click on the link above
2. Select your child's school and click on 'Select' & then 'View Selections'
3. Enter your email address
4. Fill out all the details as it will not let you through to the payment page until you have completed the questions.
5. Enter your card details and then click '**Complete Booking**'.

You will receive a confirmation email and also a reminder email on smoothie day.
