

# Forefield Matters

8<sup>th</sup> September 2023

Dear Parents, Carers and Children,

*Welcome back to a new school year!*

It's lovely to see everyone back in school and amazing to see how quickly our new pupils have settled into the juniors.

Thank you for supporting our uniform policy – everyone looks very smart in their shiny new shoes! Remember, as we live in the UK, dress according to the weather not the season. In other words, in the middle of a heatwave children are more comfortable in polo shirts and shorts but be prepared to face rain next week and bring a waterproof coat! Please remember sun cream, hats and water bottles too.

Thank you also for waiting behind the red cones at pick-up time. It is always busy on the playground in the first days and weeks of the new school year so it is appreciated. Our older, more independent children may have pre-arranged meet-up points with parents, but for now our younger pupils will be handed over to adults – please bear with us as we get to know lots of new names and faces.

When you do collect your child from the playground at the end of the day, it is helpful if only one adult collects and we respectfully ask that dogs (even cute ones!) do not come onto the playground. Thank you.

Hopefully you have seen (and signed) your child's home/school diary and read the relevant information that it contains.

Forthcoming dates will shortly be available on our website and the first 'event' to be aware of is our annual **Macmillan Coffee Morning** on Friday, 29<sup>th</sup> September...

Doors to the dance studio will open shortly after 9:00am – once everything is set up. We will be asking for cake donations nearer the time and the money raised will go to Macmillan. During the coffee morning Mrs Newell (our Learning Mentor) will be on the look-out for any parents who would like to have more involvement in school life - including future coffee mornings.

All our pupils have settled well into their new classes and the routines of their year group – next week we will update access to SeeSaw for online learning and weekly newsletters.

Have a lovely weekend!
