

FOREFIELD MATTERS

14th January 2022

Dear Parents, Carers and Children,

The Spring Term is now well under way and the vast majority of children have settled back into the routines of school life after Christmas. It is still a very uncertain time for everyone, but we are continuing to follow the guidance we have received in order to keep everyone safe. Thank you for your continued support.

As this half-term is relatively short (there are only four more weeks until the February holiday) we have decided to hold our Spring Parents' Meetings in the second half-term. Hopefully, the number of positive cases will be much lower by then and we may have more options available for meeting your child's teacher and viewing the work in their books.

During the February holiday we will be taking our Year 6 pupils on a residential visit to Robinwood Activity Centre at Dobroyd Castle in Todmorden. This is a three day visit and the first time we have been able to plan a residential since 2019. We are looking forward to enjoying a range of adventurous activities, including: archery, climbing, canoeing and indoor caving! A meal planner and parent booklet are now available to view on SeeSaw and the school website.

Peter Yip, an Equality Specialist, will be working with Year 6 on Monday next week in a series of workshops exploring equality and diversity in modern Britain. This forms part of our PHSE lessons.

Changes to the self-isolation period for those who test positive for COVID-19

From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6. The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day.

All test results should be [reported to NHS Test and Trace](#). If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest. Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.

Have a lovely weekend and stay safe!
