

FOREFIELD MATTERS

18th March 2022

Dear Parents, Carers and Children,

Thank you (yet again) for your patience and understanding as we continue to face very difficult circumstances in school. Unfortunately, this week several staff members have been unwell and we have had to use some of our contingency plans in order to keep classes in school. Please bear with us – Covid continues to have an impact and we may not be able to respond as quickly as we would like.

Those of us who are in school are covering several roles, as supply cover is not always available. Our 'contingency plans' have been very stretched and whilst we will always aim to keep classes open we may reach the point where home learning has to be considered.

In good news...

We have enjoyed celebrating Red Nose Day and sharing our favourite jokes in assembly. By wearing something red we have managed to raise: £300!

On Monday, 21st March it is World Down syndrome Day. We are not collecting money or asking for donations... but if you wish to show your support, you can wear odd socks!

School Meals:

Since returning to the canteen over at Forefield Infant School, school meals have proved more popular than ever. On Fridays we regularly serve over 200 meals! If your child has a school meal the daily cost is £2.40 (£12 per week) and this can soon mount up if you do not regularly top-up your account on School Money. Children should **not** continue to have a hot meal if their account is in debt – we will be contacting parents who may not have realised how much they owe and suggesting that children bring a packed lunch to avoid the debt growing larger. Catering Services are raising the cost of a meal by 5p and therefore school meals will cost £2.45 from 19th April 2022.

We sent a letter out yesterday regarding **Parents' Evening** next week. If staff test positive before or on the day of the appointments we will inform you ASAP. Unfortunately, that means we may have to postpone if staff are unwell.

Take care and have a lovely weekend!

Crosby
