

FOREFIELD MATTERS

13th May 2022

Dear Parents, Carers and Children,

This week saw the return to national End of Key Stage 2 Tests (SATs) for Year 6 pupils across the country. For a junior school with 89 Year 6 pupils this means a quarter of our children sitting daily tests and the rest of our children being mindful that timetables, including playtime, need to accommodate the SATs and that all staff will be involved – from setting up a SATs Café to being a prompt, reader or invigilator. We have been incredibly PROUD of everyone this week! The early start (with toast and milk) was much appreciated and led to a very purposeful, calm environment. Thank you to everyone who worked together to create this – but especially the children themselves. They have all been superstars and couldn't have worked any harder. With the extra playtimes, some have even enjoyed SATs week!

Sports News...

Well done to the 8 Year 6 children that played in the football match on Thursday this week. Great Crosby made the long journey across the park as we hosted an exciting, and very close, league game. The team played brilliantly and although the result didn't go our way, ALL involved represented Forefield extremely well. Thank you to the parents and staff that came to cheer the team on too - your support does not go unnoticed.

A special well done (from Miss Berry) to the Y6 netball team for reaching the semi-finals of their first competition – after only 1 training session!

New to You...

Before the pandemic we regularly held a 'new to you' uniform sale to recycle and re-use lots of quality uniform items that had simply been outgrown. Our last 'sale' replaced our Macmillan Coffee Morning and the proceeds went to the charity. We are now asking for uniform donations again and once we have collected shirts, jumpers, cardigans etc. we will share dates for you to come and browse! If you have any unwanted uniform items that could be worn again please send them into the school office before half-term so that we can start organizing the sale. Thank you.

Transition...

We are fast approaching the time of year when thoughts inevitably turn to 'moving on' – both Year 2 moving up to the juniors, Year 6 visiting their secondary schools and every class in-between preparing for the next stage of their educational journey. This will be the first year that we can re-introduce the buddy system for Y2 and some 'face-to-face' meetings for parents, pupils and staff. Year 6 will soon receive an invitation from their new school to take part in a transition day.

Take care and have a lovely weekend!

Forefield Junior School,
Crosby
