

Forefield Junior School

Charging & Remissions Policy

Meeting where agreed and ratified: Full Governors Meeting

Signed: Dr. C. Breeze Date: 29th March 2022

April 2022
Review 2024

Mission Statement

*Forefield Junior School is a P.R.O.U.D. school built on **Passion and Respect**, where **Opportunities** can be seized by **Unique and Determined** learners.*

We are passionate about learning in an environment where everyone is empowered to be themselves and to flourish. We respect and value each and every individual and cherish their unique qualities to create a sense of belonging. We are determined to support personal, social and emotional development by encouraging self-belief and providing opportunities for everyone to express themselves and grow in confidence.

By celebrating their diverse contribution to the life of the school and the wider community, each person will be encouraged to build on their foundations, to instil a belief in everyone that they have limitless potential and are always capable of achieving their best - throughout their lives. As a family we share each other's successes and take pride in them.

We will consistently promote the highest of standards in every aspect of school life, provide a vibrant, stimulating curriculum in a safe and happy learning environment, to foster excellent attitudes and behaviour. The inspirational opportunities we provide will fuel a passion for learning and a sense of pride in all we do.

This is what makes us PROUD:

Passion, Respect, Opportunity, Unique, Determined.

Introduction

The 1996 Education Act requires all schools to have a policy on charging and remissions for school activities. The policy identifies activities for which

- charges will not be made
- charges will be made
- charges may be waived

In general, no charge can be made for admitting pupils to maintained schools. Where education is provided wholly or mainly during school hours, it should be free.

The school day is defined as 8:55 am - 3:30 pm. The midday break does not form part of the school day. The Headteacher will ensure that staff are familiar with and correctly apply the policy. Governors will review the policy every two years.

Policy Statement

Forefield Junior School believes that all our pupils should have an equal opportunity to benefit from school activities and visits (curricular and extra curricular) independent of their parents' financial means. This policy describes how we will do our best to ensure a good range of visits and activities is offered and, at the same time, try to minimise the financial barriers which may prevent some pupils taking full advantage of the opportunities.

No Charges will be made for:

- education provided during school hours (including the supply of any materials, books, instruments or other equipment);
- education provided outside school hours if it is part of the National Curriculum or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;

- tuition for pupils learning to play musical instruments if the tuition is required as part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;
- entry for a prescribed public examination, if the pupil has been prepared for it at the school; and
- examination re-sit(s) if the pupil is being prepared for the re-sit(s) at the school
- supply teachers covering for other teachers accompanying pupils on a residential trip
- transport in connection with swimming

Voluntary contributions

Separately from the matter of charging, the school may ask parents for a voluntary contribution towards the cost of:

- a school trip that takes place during school hours
- transport in connection with a school trip during school hours
- any activity that takes place during school hours
- school equipment
- school funds generally

However, if the activity cannot be funded without voluntary contributions, the head teacher should make this clear to parents at the outset. The governing body or head teacher **must** also make it clear to parents that there is no obligation to make any contribution. The contribution must be genuinely voluntary, though, and the pupils of parents who are unable or unwilling to contribute may not be discriminated against. Where there are not enough voluntary contributions to make the activity possible, and there is no way to make up the shortfall, then it must be cancelled.

Charges will be made for:

Residential trips

We will charge for the cost of board and lodging during residential school trips. This cost must not exceed the actual cost of the provision. In order to remove financial barriers from disadvantaged pupils, the governing body has agreed that the regular Year 6 residential trip will be offered at no charge to parents/carers of students for whom school is in receipt of Pupil Premium Grant.

Non residential trips

Charges will be made for non residential activities (other than listed above) which takes place outside of school hours if the majority of the time spent on that activity takes place outside school hours (travel counts in this calculation if the travel itself occurs during school hours).

Public examinations

No charges may be made for entering pupils for public examinations that are set out in regulations. However, an examination entry fee may be charged to parents if:

- the examination is on the set list, but the pupil was not prepared for it at the school
- the examination is not on the set list, but the school arranges for the pupil to take it
- a pupil fails without good reason to complete the requirements of any public examination where the governing body or LA originally paid or agreed to pay the entry fee.

Charges may not be made for any cost associated with preparing a pupil for an examination. However, charging is allowed for tuition and other costs if a pupil is prepared outside school hours for an examination that is not set out in regulations.

Music Tuition

Although the law states that all education provided during school hours must be free, music lessons are an exception to this rule. The school may charge for the cost or a proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument or singing, where this is an optional extra for an individual pupil or small groups of pupils.

Damage to school property

The school will ask parents to contribute towards the cost of damage to school property or equipment where this results from a student's negligence or misbehaviour.

The school reserves the right to refuse students the opportunity to take part in trips and activities where there is a history of vandalism or poor behaviour, as this may represent a health and Safety risk and concerns about the reputation of the school.

Lettings

The school may make its facilities available to outside users at a charge of at least the cost of providing the facilities unless the Governors have agreed to subsidise a letting. The scale of charges is determined by checking current rates with the L.A.

Other

Any materials, books, instruments, or equipment, where the child's parent wishes him or her to own them e.g. a charge for cooking ingredients where parents have indicated in advance that they would like their child to bring home the finished product.
