Dear Parents/carers

I would like to introduce you all to Danny, our new school dog.

We are really lucky to be able to arrange for Danny to visit our school for one afternoon a week starting this week. Danny loves hearing children read and showing children his tricks. We are planning for Danny to work with groups of children across the school.

Danny is fully trained, certified and insured as a therapy dog through Dogs of Health and he will be accompanied by his owner Helen each week.

If you would like to request that your child **does not** work with Danny, please fill in the form on the link below.

If you have any questions, please contact me through the school office.

We are really looking forward to Danny joining our school.

Yours sincerely,  
Helen Chappell
