

## Forest Friends

### Forest and Sandridge Parent Teacher Association

Registered Charity No. 1041418

To all parents and carers,

We are going to be starting an Online Second Hand School Uniform Shop. Our children grow so fast that we fly through sizes and we wanted to be able to reuse and recycle this clothing to help our eco standing but also and more importantly save you all money on uniform whilst being able to give back to the school. You can't lose!

To get this up and running we are going to firstly need some second hand uniform so our request to you is that if you currently have or when you do have, any school uniform that you no longer need or use that you please bring it into the school reception and they will make sure it gets to us. Once we have some we will start updating the website we will be using for the shop which is <https://www.pta-events.co.uk/forest-friends> and we will let you know as soon as we have done this.

We are really excited to start this venture with you and use the money raised to make the library exactly what we need for the children's imaginations to soar. Libraries can play a significant role in helping and inspiring our children to find books they can relate to. Libraries help the students with research, specific subject knowledge, writing skills, the ability and inspiration to debate, being able to work independently, with conversation, empathy, improved vocabulary and last but not least physical and mental wellbeing so why wouldn't we want to make our school library the best it can possibly be.

Thank you all for your continued support

Yours Sincerely

All of us at Forest Friends.
