**Target success in OCR A-level Design and Technology: Product Design with this proven formula for effective, structured revision; key content coverage is combined with exam-style tasks and practical tips to create a revision guide that students can rely on to review, strengthen and test their knowledge.**

With My Revision Notes every student can:
- Plan and manage a successful revision programme using the topic-by-topic planner
- Consolidate subject knowledge by working through clear and focused content coverage
- Test understanding and identify areas for improvement with regular 'Now Test Yourself' tasks and answers
- Improve exam technique through practice questions, expert tips and examples of typical mistakes to avoid

Don't miss out on easy marks, prepare for those Maths questions with this essential guide. Written specifically to build students' confidence in maths and to prepare them for the more challenging mathematical requirements which make up 15% of the new DT specifications. - Improve confidence with structured progression of worked examples, guided and non-guided questions, and worked solutions for every question - Strengthen students' maths skills and subject understanding with worked examples and practice questions all embedded in the subject context - Develop exam confidence with exam-style maths questions - An essential tool throughout the AS and A Level course with every maths skill mapped to subject topics
