TRANSITION EDITION

Question of the week - blue or white shirt?

At the moment, Year 7, 8 and 9 wear blue shirts but in Sept 2025 (ie your year) everyone at Fortis will be wearing white shirts.

Mr Clark (our Headteacher) has made this decision because white shirts are cheaper to buy than blue (do some research at your local supermarket!!!)

Fortis Family

Will I see my friends at Fortis?

When you join Fortis you will put in a Form (or Edge group) with lots of new people. There will probably be one or two people from your primary but most people will be from all over Birmingham.

If you don't know anyone at Fortis don't worry, your Edge tutor will help with ice breaker activities on day 1.

You will be in lots of different classes for lessons like Maths or English and you'll always have time to catch up with friends at break or lunch in Community Hall (the area just for Year 7 pupils)

All About You!

- ✓ Sorry the link didn't work last week - we still want to know all about you so if you could fill it in now that would be great!!!
