TRANSITION EDITION

Question of the week - How will I know where to go for lessons?

Fortis is one of the biggest schools in England but don't panic!!!!
In September you will be provided with a map so you can work out where you need to go.

Staff will be around to help (they wear bright pink jackets) and your Edge Tutor will run through your day each morning.

✓ Fortis Word of the Week -Edge

You'll keep hearing about Edge at Fortis - what is it?
It's the name we use for registration (which is every day from 8.45 - 9.15). Your Edge tutor is like your class teacher - you'll see them every day so they can answer any questions that you have.
