Introduction

Students come to the Academy to work and to be part of our community.

They must look prepared for the day ahead of them by wearing the correct uniform. Being smart reflects pride in themselves and in their Academy. It indicates they are ready to maintain a hardworking mindset. We have high standards of all those associated with the school and, as a member of the school community, families are expected to support the students to meet these expectations.

We understand that uniform can be expensive, but our uniform has been designed to minimise the number of specialist uniform items required. We are often able to support families with second-hand uniform.

We ask that families do not purchase items that do not meet the uniform requirements, as students will not be permitted to wear them at school. In general, students in uniform should have no prominent branding except for the Academy Badge.

The policy is an agreement between the school and parents/carers that clarifies for parents/carers the required uniform as set out below. Students are expected to wear their uniform with pride.

Uniforms are to:

- Show that they are part of the Fortis Academy community.
- Support students in being respectful.
- Give a sense of belonging for students.
- Give an identity to the community.
- Stop/reduce peer pressure when it comes to clothes.
- Give a sense of order and purpose.

Students are expected to dress smartly, with ties neatly knotted, shirts fully buttoned and tucked in, and blazers worn at all times unless given exceptions by school staff.

You can purchase the blazer, tie and PE kit from the specialist uniform suppliers, whose details are below. Other items such as trousers, skirts, shirts and shoes, although available at the suppliers may also be purchased at suitable retailers of your choice.
